"A Friendly Zone To Build Your Home"

VOL. XXI—No. 28 | Cypress, California, Friday, April 30, 1948 | Price 5c Per Copy

I RISE TO REMARK

BY JOHN PHILIPS

There are lots of things this weekly letter would like to talk about: the vote on the oleo bill, wrongly spoken of as a tax matter; the Tidelands bill, just out of committee and on the floor; the bills on various farm policies; appropriations; a hurried trip across the line to Norristown, to speak to a group of precinct workers and impress them with the seriousness of the present situation; the impasse in the attempted solution of the Colorado River controversy; I could think of a dozen others. Instead, I shall give another week's letter to ECA, for reasons which I hope will be evident.

Several of us were disturbed by the vote on ERP. It was not so much the preponderance of ayes, in a Congress which is supposed to have a two-party system, with one party asking the other party to justify its programs and its expenditures; it was more the evidence that information given the Congress, and the people, was inadequate, or inaccurate.

Consequently, a member from New York and I set up, here in the building, a little "bureau" of our own, staffed with temporary people to check into the material from which the supporting evidence was supposed to come. If somebody quotes a report, these men and women are told to go back and see if that is exactly what it did say, and in what connection. You get the idea. Our desire at first, was to get the facts straight for ourselves. As the days have gone by, more members of the Congress are turning to this source for material they are using on the floor.

It was this source which checked the first executive order and found it lifted the restrictions on making contracts for supplies for more than one year. Small, but interesting when compared with the committee's statements that the Congress was committed for one year only. It discovered the intent to give away 3 billions of the gold at Ft. Knox.

We knew that we were expected to supply farm equipment, as part of the ECA program. It was this little office which uncovered the fact that the United States is expected to provide farm supplies to the extent of $122,000,000, of which $63,000,000 worth are to go to France, while at the same time, France is to EXPORT 18½ million dollars worth of farm equipment. Let's get together on this!

They also discovered the following quotation, which I have been telling you all along, that the "original lists of needs (under the Marshall Plan) were 'educated guesses' and that they will be changed perhaps radically, where there are some real facts to go on." That's not surprising, nobody could look far in the future, but if so, why this long time financing? Why not allow for changes, including improved food conditions in Europe?

Another: Some of the figures, on which we were supposedly making our decision, we have now discovered were not released by the United Nations Committee until March 31, the day before we voted, and other figures, also supposedly in hand, will not be available until June 1.

One nation, Britain, is keeping itself in the black, this fiscal year, by the prices charged, and the taxes imposed, on tobacco supplied that country under ECA.

None of these are vital in themselves; it's simply that they don't add up to confidence in such a program, on a long-term basis. I rise to remark that the Italian elections were encouraging and I hope that ECA may have had some influence there, even though it was indirect and less than our people generally believe. Any little encouragement is welcome right now.

Missionary Group Holds Election, Hears Reports

In view of the splendid record of the Senior Women's Missionary society of the Cypress Church of the Nazarene for the past year, Mrs. Percy Coffman was re-elected to serve another term as its president at a meeting held Thursday at the church. Also elected were Mrs. Ocie Ferguson, first vice president; Mrs. Frank Davis, secretary; Mrs. Ethel Bock, treasurer, and also "Other Sheep" magazine chairman and prayer and fasting chairman; publicity chairman, Mrs. Irene Santhoff; box and medical chairman, Mrs. Guy Smith; delegate to the annual Women's Missionary convention in Pasadena on May 13, Mrs. Ethel Bock with Mrs. Ocie Ferguson as alternate.

Yearly reports showed that all requirements to make a standard society had been met and lacked only a very few points of making "superior." Among other things accomplished, it was reported than 10 boxes of clothing, three quilts, and one box of food had been sent to the Navajo Indians this year and both a Junior Women's and a children's Missionary society have been sponsored this church year which ends April 30.

Huge Destruction by Fire Shows Need For Clean-Up

Home Check-Up For Fire Hazards

Fire Chief A. E. "Pat" Arnold has issued a plea to all citizens of Cypress to cooperate in Spring Clean-Up to safeguard the community against fire, accidents, disease and to improve its appearance. The week of May 8 has been designated in Cypress as "Spring Clean-Up Week."

For the home check-up the chief suggests that householders:

Get rid of all rubbish and papers in the attic, closets, basements, yard and garage. Tie them into bundles for salvage.

Check for Hazards

Check stoves, furnaces and heaters. Have all repair work done now. See that floors under stoves are protected by metal, bricks or cement. Insulate all burnable material subject to heat radiated from stoves, furnaces and pipes. Empty hot ashes into metal containers. Clean chimney and check for cracks, loose bricks and mortar. Place metal screens in front of fireplace. Place portable heaters so they can't be knocked over.

Distribute enough ash trays in convenient places for smokers. See that matches are out of reach of young children and placed in safe containers.

Check gas connections on portable heaters. Shut-off valves should be located on pipe before rubber tubing.

Don't Use Gasoline

Never use gasoline, benzine or naptha for cleaning. Don't quicken a sluggish fire by pouring on kerosene. It may easily flame out of control.

Destroy paint rags and oily cleaning cloths or put them in a metal container with a cover. Hang up oily mops so that air can circulate through them.

Inspect all electric service cords and connections on lamps and appliances. Use only 15 ampere fuses for household circuits. Never permit "bridging" of burned-out fuses with wires or coins. Such practices remove all protection against 'shorts' or overloading of circuits.

Teacher Here Awarded High Recognition

Word has been received here that Mrs. Ruth Brown, teacher of the second grade in the Cypress school, has been awarded a "Certificate of Honor" by the quiz kids in the 1948 best teacher contest. The award reads as follows: "This is to certify that Mrs. Ruth Brown was nominated by his or her students in the 1948 Best Teacher contest conducted by the Quiz Kids radio program and Miles Laboratories, Inc., as the best teacher in the United States. No teacher could receive a higher honor than to be thus chosen by his or her own pupils. Good teachers make good schools — good schools are a community's greatest asset. This certificate honors a good teacher."

This honor has come to Mrs. Brown through the efforts of one of her pupils, Betty Ann Biggs, who wrote the letter in the quiz kids contest which was responsible for the certificate being issued. They are both to be congratulated.

P-T.A. Sponsors Successful Card Party

Another in a series of card parties sponsored by the Cypress Parent-Teacher association took place Thursday evening in the school cafteria with the teaching staff as hostess group. Prizes of potted rose bushes and fuchsias were awarded to the prize winners.

In 500 Mrs. Don Davis and Frank Cardoza held high scores with Mrs. Job Denni, low. Mrs. Stan Doerr and Clyde Arnold were awarded the prizes for high scores in pinochle with Mrs. John Lukens being consoled. Prizes in auction bridge were won by Mrs. Edith Wing and Win Brown for top honors and Mrs. Rita Koenings recieved the consolation prize.

Refreshments of assorted home made pies and coffee were served buffet style by Mrs. Henrietta Arnold, Mrs. Ellen McConnell, Mrs. Ruth Brown and Miss Elizabeth Dickerson.

Mrs. Earl Essex spent last week end in Long Beach. She was a guest in the home of her cousin, Mrs. Pearl Rath.

Clean-Up Week Saves Housing

Property and resources now are being destroyed by fire in the United States at the fastest rate in history, according to estimates of the National Board of Fire Underwriters.

During the past year $692,635,000 went up in smoke, most of it in housing, buildings, food, raw materials and manufactured goods that are in short supply.

This loss figure does not begin to include all the other indirect losses caused by the hundreds of thousands of preventable fires that broke out during the year. These other losses include forests and timber, production losses, watershed, business failure, medical expenses, wages, tax values wiped out and fire-fighting costs, which are the result of fire.

Safety Council Studies Reports And Requests

The meeting of the West Orange county safety council was called to order in the school auditorium on Tuesday evening. A report was given by the president, S. V. Fullerton, on the request for a four-way stop at Lincoln and Walker streets, in the heart of the business section in Cypress. To date, no signs have been placed at this busy corner.

Several representatives from the subdivision in Cypress known as Cypress Manor made inquiry concerning three needs in their section, and complained about the practice of drivers of "hot rods" in using their streets as a race track. The men suggested speed limit signs, stop signs for the streets known as St. Anne, Danny, and Vonnie Lane, which open onto Walker and name signs for these same streets. Fullerton has promised to take these problems to the county meeting, in his capacity as official representative from this district.

In answer to the request for safety films from Centralia school, the president reported three sources to contact: County school district library of films; William B. Reed, Southern California auto club in Santa Ana, or Bob Smith, Red Cross, Santa Ana.

There were no representatives at this meeting from Buena Park or Los Alamitos. A general discussion of traffic problems and safety rules in general followed the report on old business before the group. The driver's test car is stationed in Los Angeles until May 5. This is an intricate and interesting device to test the ability and fitness of those who operate vehicles of any kind on the streets and highways.

Display Trophy To Be Awarded For Safety Record

The beautiful trophy to be awarded by the Orange county auto club in the fall has been on display at various meetings, in the schools, and in the newspaper offices of the Cypress Enterprise and the Buena Park News for the past few days. The president of the West Orange county safety council, Jack Fullerton, made this possible while the object was in his care.

The award is made to the city or community in Orange county making the best safety record between September 1, 1947, and September 1, 1948. The placard accompanying the trophy while being shown says, "Try and make our community a safe one."

Conclude Special School Week Tonight

Public school week will be conducted tonight at the Centralia school with open house starting at 7 o'clock, when the rooms will be open for inspection and work of the students will be exhibited. At 8 o'clock, visitors will gather in the auditorium for an hour's program which will feature a concert by the girls' glee club under the direction of Mrs. Marie Fowler, as well as other entertainment in which each class room will participate. All parents and friends of the school are invited to attend and see what is being done in our schools.

MOTHER'S an ANGEL
To Mother
ON HER DAY
HAPPY
MOTHERS
DAY
YOU SHOULD BE ON A PEDESTAL FOR BEING SUCH A SAINT
To My BEST GIRL on Mother's Day
MY WIFE-NATCH!
Sometimes I take me down a peg I'm a bit too bulky

MAYBE it's old fashioned — but Mom is back on her famed pedestal!

This year's affectionate Mother's Day cards are strictly on the sentimental side. No more kidding verses and "career girl" illustrations.

Instead, the cards are blooming with pansies and roses like an old garden wall. Heavy ribbons, lace borders, and sparkling rhinestones create an air of elegance and luxury.

Several of the greetings strike a religious note, containing prayers for Mother's continued happiness.

Old-fashioned domestic scenes take Mother for nostalgic little journeys into the happy past. Of course, there were slight differences of opinion over spinach, bed-times, and stray kittens. But the cards all end up in deep-hearted bursts of praise for "patient, understanding Mom."

One "fairy tale" card declares—

Story book Mothers
Are sweet, it's true,
But none of them ever
Are SWEET AS YOU!

Good wishes aren't limited to Mother, though, on Sunday, May 9. This year there are also Mother's Day greetings with appropriate sentiments for grandmothers, aunts, sisters, wives — yes, and even mothers-in-law!

IT'S BEING SAID - - IN CYPRESS

That when you see red, it's not always the fire truck. You can be sure it's not the fire truck if you don't hear a siren. It's the Cypress Cleaner's new delivery wagon — you know the slogan, "Know your cleaner." How can they miss? We don't like this competition and threat to our title of having the loudest colored car in town!

That either "Angel" is going to have to give up that Yellow Cab cap and drive our car, or we're going to have to have the cap to match our vehicle. We'd look sillier, either way you look at it, riding Angel's bicycle on our errands, OR wearing the yellow cab cap!

That you're never too old to learn. "Bill" Beck was holding forth on papering the other day, he being a veteran paper hanger. Remember when it was fashionable to choose from the popular shades for your living room a paper called "oatmeal?" Our mother would have nothing else — usually in the tan color. Now he tells us, after all these years, that it isn't called "oatmeal" paper at all, but rather hoitzmeal. Or maybe you know how to spell it better?

That when reporting an item for the newspaper, it is important to get names, too. We saw the accident on Lincoln avenue on a Monday morning when the driver pulling a trailer cart with a coupe lost his cargo. The accident could have been very serious, but fortunately the only damage was done to the Ihnen's mailbox, and there was no loss of life or limb. (They probably didn't write any letters that week, anyway:) The tourists were on their way to Lake Elsinore. What was that? Oh, their names? Even reporter Boyd forgot to find out!

That you couldn't mention T. J. Boyd without thinking of 'Hector." We are very fond of dachshunds (dogs, that is) having Lena and Willie to fondle and pet. Now we can add to our list "Hector," who didn't seem to mind a bit, as what doxie does?

That if you don't listen to western radio programs or read the funny papers, you just aren't educated and can't keep up in polite conversation. Thyron Taylor has just finished a boat and wishes to name her. The name he has chosen is "Julie Blonde," or some such name, and it stems from a now popular song sung by a popular western singer. We swear we have never heard it. We suggested a name, too, but it seems gentlemen prefer blondes, even when naming boats.

That we have in our midst a winner of an unusual type of a contest who now calls Cypress her home. While the moving picture, "My Favorite Brunette," with Bob Hope, was playing in her home town of Chorley, Lancashire, England, Mrs. William B. Hall's mother, unbeknownst to her, entered a photograph in the contest. And Agnes won! So now that she is also Williams B's favorite brunette, she moved to Cypress a little less than a year ago.

That we've been warning Ernie, out at the Drive-In, for a long time that our motives were purely ulterior where those lovely drapes from Mexico are concerned. Not long ago, in the dark of the moon, some culprit also had strictly no-good motives concerning inside the property, since the window pane was broken out and an attempt made to enter the building. There will be curtains at our windows, and no questions asked.

That you can now indulge locally in a new sport activity. If you are interested in playing shuffleboard, see Lee at Lee's Cypress Cafe. He is interested in organizing a team to enter in league competition with surrounding communities.

That we made a mental note for Saturday, at 10:35 a.m., to be at the local airpark to cover the tour of aircraft dedicating airports for Skyway No. 1, and even went so far as to take a carload out ourselves. We stayed for a while and enjoyed the sunshine but finally came back unrewarded. But we are warning you now that Cypress is really on the map this time, since its name appears on maps for flyers of private planes in this unique air highway, the first of its kind.

Last Friday the teachers from the Cypress school were guests of Mr. and Mrs. Clyde Arnold at the angling club near Azusa. There were twenty who attended, and a total of 69 fish were caught, all prepared for eating by the host. Mrs. Dexter caught a twelve-inch trout the biggest catch of the evening, and it is reported that she is so proud of this feat, that at last reports the fish has still to be eaten. The staff enjoyed the party to such an extent that they are eagerly awaiting the time when it will be possible to go again, since Arnold has made this an annual affair.

EXTRA

Buena Park Man Killed As Car And P. E. Collide

Carl W. (Bill) Hartog of Buena Park, was killed and his wife, Doris, was seriously injured in an accident Thursday evening about six p.m. Riding with the Hartog's was his little niece, Bonita Scott, who is also in serious condition. The accident occurred at the Miller Road stop of the Pacific Electric, just a short distance from the Scott home, where the three of them were going for a chicken dinner. Hartog attended Ananeim union high school and was employed as a driver for Wilsey dairy.

May Events Set Record For Spring Activities

Nearly 50 fiestas and other spectator events, which help bring Southern California $500,000,000 a year in tourist business, are scheduled for May. The All-year club reports this is a record for any spring month since the war.

May 1 - 2
Ramona Pageant

Approximately 600 people of Hemet and San Jacinto Valleys who "inherit' and live their parts, produce dramatization of Helen Hunt Jackson's novel of girl Ramona and her Indian lover, Alessandro, in outdoor bowl set high in mountain valley overlooking historic country where legendary story of Ramona occurred. Valley of bowl is so acoustically remarkable that whisper can be heard across it. Setting for play blend into wooded hills. Characters ride on and off into it.

April 24 and May 1
San Jacinto Fiesta

San Jacinto, in Riverside county, holds a fiesta the last two Saturdays of the famed Ramona Pegeant production. Residents dress in costumes of old Spanish days for a carnival of games, entertainment and parade. Main street of San Jacinto, built in Indian architecture, is blocked off from traffic and lined with colorful booths.

April 30 - May 1
Corona Lemon Fiesta

Home of the world's largest lemon processing plant stages a city wide celebration, honoring its lemon industry. Lemon Fiesta queen, lemon pie-baking contest, Lemon Box Derby. Parade May 1 featuring floats, marching units, and animals. Booths will sell rich, creamy slices of lemon pie.

April 2 - May 15
Santa Anita Harness Racing

Some 900 harness horses from all parts of the nation meet for the 35-day 1948 Grand Circuit opener at Santa Anita Park. Leading trotters and pacers will compete in 16 feature events, including two $50,000 feature stakes, the Golden West Pace and the Golden West Trot.

All May
Planetarium Show

The Planetarium of Griffith Observatory overlooking Hollywood devotes a month to the explaining and demonstrating how the giant 200-inch "eye" of Palomar Observatory will be used. The monster telescope will near completion around May.

April 30 - May 1
Huntington Beach Flower Show

Floral exhibits, afternoon teas, evening entertainment comprise a 2-day program in which Spring flowers from private Huntington Beach gardens are featured. "Queen of the Flowers" will reign.

May 1
May-Time Band Review

National City, suburban San Diego community, will ring with drum beats and shrill trumpet blasts during a full day of competition for some 20 to 30 brightly uniformed bands. Marching formations representing high schools, junior highs, colleges, military and specialty groups will participate in a gigantic parade.

May 1 - 16
Mountain Wildflower Show

Nearly 2000 varieties of wild blooms gathers from grassy slopes surrounding Julian, resort town in artistic displays at the Julian Town Hall. More than 10,000 persons are expected to attend this year. the mountains "Back Country" of San Diego county, are banked in

May 3, 4, 5, 6 and 8
All Navy Boxing Championships

For the second straight year the boxing championships for all Navy commands will be decided at Balboa Stadium, San Diego. Representatives from units all over the world will come here to compete throughout the four days of bouts. This is one of the Navy's major athletic events which attracted more than 50,000 people last year. Competitions in eight weight classes.

May 5 - 16
Pasadena Playhouse

California's state theater in Pasadena presents "This Young World" by Judith Kendel, exciting and unusual story with an all-juvenile cast.

May 5
Cinco de Mayo Celebration

Because they were liberated twice, once from the Spanish and again from the French, the Mexican people celebrate not one, but two versions of the American Fourth of July each year. May 5th or "Cinco de Mayo" commemorates the liberation from the French and there are fiesta, music and dancing in Olvera Street, the brick-paved little Mexican market place in the heart of Los Angeles. Visitors are welcome.

All May
Desert Rides

Unique Desert Breakfast Rides, an institution in Palm Springs, are held each Saturday until June 1, with the Winter guests participating. A cowboy breakfast from the chuekwagon awaits the "dudes" at the end of a morning ride to various points of beauty in the desert. Movie stars and desert personalities mingle with ranchers and guests. Those who don't ride horseback go along in surreys or tallyhos.

May 6 - 8
Riverside De Anza Days

Riverside, in the orange grove country, commemorates arrival of Captain Juan Bautista de Anza and his Spanish colonists, in 1774. 3 days of celebration include parades of riders, marchers, ox-carts, gorgeous pageantry; street dances; strolling musicians; Jamaica festival in Spanish section of city; opening of De Anza Way, street of Old Spain in downtown section of city. Parade viewed by 45,000 last year.

April 7 - May 15
Padua Hills Theater

Mexican Players of Padua Hills Theater present "En El Mes de Mayo" (In the Month of May), dedicated to San Ysidro, patron saint of Mexican farmers. Songs, dances and colorful costumes are highlighted in fiestas, and ancient ceremonies to the rain god of the Aztecs.

May 9
Oceanside Horse Show

The gateway to Palomar Observatory in San Diego county holds a 2nd annual show of expert horsemanship among participants of all ages.

May 12 - 16
Anaheim Civic Progress Exhibition

Pleasant citrus community in Orange county celebrates 91 years of continued growth with a Civic Progress Week Exhibition. Program features an old-fashioned Country Fair and a giant display of new automobiles, farm machinery, local crafts and exhibits of industrial and agricultural products.

Cypress Manor Well Represented At C of C

Brothers Visit

Two brothers of Mrs. Earl Essex have been visiting the Essex home recently. Chief W. F. Logan, USN, and wife and two children, Sharon Rose and Jan, have been vacationing here from Quonset, Rhode Island. In the meantime, Lt. O. L. Logan and family left for San Francisco, accompanied by Earl Essex. The lieutenant was under army orders. Because of this the two brothers and their families missed a visit together.

The regular meeting of the Cypress chamber of commerce was held in the school auditorium on Tuesday evening, with Jack Fullerton, president, presiding. In addition to the regular members of the organization, the subdivision called Cypress Manor was well represented by a group of residents interested in the problems facing the local organization.

One of the matters brought before the meeting for immediate decision was the placement of new street lights in town where a need existed. The group studied a map showing lights already being used and also proposed installations, and voted to approve the plan as submitted.

A lively interest was shown in the plan for sewage disposal as it affects Cypress, Stanton and Los Alamitos, in relation to the rest of the county because of their location. Methods and plans were presented by several active members of the local chamber of commerce who have been interested and have made a thorough study of the situation, and an opportunity was given for an expression of opinion on all sides, resulting in a plan for a further meeting of members in the community to work on the various aspects of this important problem.

During the course of the discussions, information concerning the present facilities for handling a fire was sought by residents in the subdivision and a brief explanation of the history and background of the system as it now stands was given by a representative of the local fire department.

Another subject provoking an interesting review was the lack of control the community possesses in building in various sections of the town. It was voted that the secretary, R. E. Flynn, write a letter to the board of supervisors of Orange county asking aid to require building permits through the planning commission in order that there may be restrictions on the kinds of houses that may be moved onto property in certain sections of town which are attempting to build into fine residential areas. Surrounding towns such as Costa Mesa and Hawaiian Gardens have problems similar to those here.

In regard to the mosquito abatement program started last year, for which property owners are being assessed at the present time, it was reported that the committee from the county has stated that the open sloughs will be sprayed soon, and that it will insist that water is not allowed to stand in large puddles which attract mosquitos.

The owner and operator of Cypress airpark, east of town, made an appeal to the organization in behalf of the local port in its attempt to be recognized on the route of Skyway No. 1. Jim Bryant explained that this highway in the air for private pilots originated in Southern California, and that the idea has spread throughout the nation. It was voted unanimously that the local group go on record as approving the plan by writing a letter to the Los Angeles chamber of commerce requesting that a certificate be forwarded to this organization approving Cypress Airpark, since all other requirements have been met. The name of the town of Cypress now shows on maps published in Washington, D. C., as being an official station for Skyway No. 1, the first of its kind in the nation.

Lynx Ball Team To Open Season

The Lynx will officially open their 1948 season Tuesday evening at Amerige Park, Fullerton when they tackle the Montebello Ramblers, one of the top five teams in Southern California.

Shorty Hill, Lynx mentor, has not announced his battery as yet but it is expected that both Joan Alsup and Tommy Slappey will see service on the mound and Johnnie Johnson complete the combination behind home plate. Sis Carson will open the game on the mound for Montebello.

CALENDAR

Organizations wishing to have meetings or special events listed in this weekly calendar are invited to contact the News office with their information.

HOW CIVIC MINDED HAVE YOU BEEN?

Are we reveiwing our resolutions and accomplishments as we come to the end of the month of April, which contained a number of drives and campaigns for worthy causes? What have we each one done, personally, about the many community activities which need our individual support?

This month just ending marks the close of the drive to obtain funds for the American cancer society. Did you help to "fight cancer" with your contribution? Last year more than 188,000 Americans died of cancer — rich and poor, young and old — one every three minutes. Research and education are our most potent weapons in the war on cancer.

The local chairman of the membership drive for the Red Cross has announced that May first will terminate the efforts of the committee to obtain members here. Did you follow the slogan to "Give — and give gladly?"

Are you interested in whether or not the streets of Cypress are made safe for you, your family and your friends? April was the month of the annual National Safety campaign. Figures bluntly indicate that all of us must help to cut down the tragic list of accident victims. Every three seconds, someone is injured. Every five and a half minutes, someone is killed. That's the unenviable accident record in the United States. In terms of money, the cost to the nation is as much as the annual outlay for the European Recovery Program! Because Cypress needs your help in procuring aid from the county to slow traffic down on our main thoroughfare through town, we suggest that you attend the next meeting of the West Orange county safety council at the schoolhouse. There is strength in numbers and an expression by the members of the community. We know of one reader who wrote a letter to the board of supervisors protesting the denial of a four-way stop signal in Cypress on the corner of Lincoln and Walker. That shows a real interest in community spirit.

This issue announces a new civic campaign — a plea to clean-up. Clean-up our homes, our yards, our streets, and our stores to prevent fire. The fire chief has designated that the week begin on a Saturday in order that all school children may participate.

CYPRESS

MRS. OLIVE WILLIAMS PHONE AN 2-8279

Fortunately, Russell W. Christenson, 11161 Lincoln avenue, was only slightly injured when he was thrown from his motorcycle one day last week. Making the boulevard stop at Orangethorpe and 101, he was rammed from the rear by a car said to be driven by Zacharias Hernandez of Los Angeles. The motorcycle was badly damaged when the car ran over it.

Miss Margery Hall, of the flying service located at the Cypress airport, has been seriously ill and a patient in Long Beach Community hospital.

Last week the Cypress school fourth grade "Gophers" played the "Friendly Indians" from Anaheim's fourth grade at the school there. The local team lost in the 13-12 score. A return game will be played on the local team's home ground soon. The line-up was as follows: Dick Prowse, 1B; Tommy Doerr, P; Angelo Romero, 2B; Harvey Green, C; David Fender, SS; Tommy Nose, LF; Adrian Schelley, CF; Joe Cram, SS; John Viera, RF; and Dick Wing, 3B.

Mrs. Cora Allen, of Capitol Hill, Oklahoma, who, with her small son, David, is visiting her brother-in-law and sister, Mr. and Mrs. Roy Wright, was honor guest at a pot-luck supper last Tuesday night when relatives and friends, all former residents of Burkesville, Kentucky, gathered at Anaheim city park for a get-together.

In addition to Mrs. Allen and Mr. and Mrs. Wright and son, Johnny, present were Mrs. Allen's mother, Mrs. Eliza Owens; her brother and sister-in-law, Mr. and Mrs. Jim McCoy; Miss Gayle McCoy; Mrs. Barney Booher and daughter, Miss Margaret Booher; Mr. and Mrs. Preston Allen and children, Nancy, Kenny, and Mary Lee; Mr. and and Mrs. Lawrence Hall and children, Larry Joe and Carol; Mr. and Mrs. Harold Weaver; Mr. and Mrs. George Day; Mrs. and Mrs. Wendell Day; Mrs. Bill Reynolds and children, Patty and Billy; Mrs. Pauline Pitts and daughter, Nina Sue and Clyde Riddle.

Margaret Katheryn was the name chosen for the new little daughter of Mr. and Mrs. Gerrit Plantinga, who was born in Anaheim hospital on April 23, weighing nine pounds five ounces.

Miss Darlene White of Pasadena spent the weekend in Cypress at the home of her parents, Mr. and Mrs. Len White. Mr. White, who is employed at Inyokern, drove down to spend the weekend with his family.

Mrs. Katherine Elliott is reported as being quite ill in the hospital following a recent operation.

Mr. and Mrs. Milton Herold, Mr. and Mrs. Sherman Mackey and Mr. and Mrs. Winfield Mackey, the latter of Long Beach, made up a group who enjoyed a picnic at Irvine Park on Sunday. When they returned home they went to the Dan Mackey home on La Homa street where they were joined by Mr. and Mrs. Edmund Mackey of Pomona and Warren and Russell Mackey for the remainder of the afternoon and evening.

Mr. and Mrs. R. C. Cawthon were dinner guests of their son-in-law and daughter, Mr. and Mrs. Murl Jasper, on Friday evening, the occasion being the birthday anniversary of Mrs. Cawthon.

Mrs. J. F. Galey, of Los Angeles, has been visiting her son and daughter-in-law, Mr. and Mrs. Lester Galey, 5392 Nelson street. She returned to her home on Wednesday.

News of the arrival of a granddaughter on April 16 has been received by Mrs. Barney Booher. The baby, who has been named Sharon Victoria, is the daughter of Mr. and Mrs. Joe Fred Gwinn, formerly of Cypress and vicinity and now of Burkesville, Kentucky. Mrs. Gwinn was the former Mildred Booher. This is the first daughter for the Gwinns, a son, Barney Joe, having been born about four years ago.

Mr. and Mrs. John Preston, who have been enjoying a week's trailer trip to Palo Verde, have returned home. They were accompanied on their trip by Mrs. Lily Carpenter of Buena Park, formerly of Cypress.

Rev. and Mrs. Eric Jorden, Miss Etta Jean Bodkins, Hollis Woodmansee and Stanley Martin made up a party who attended the banquet at the Masonic Temple in Long Beach Thursday night which opened the annual convention of the NYPS which will close Saturday evening. Official delegates to the convention from the Cypress NYPS were Miss Bodkins and Mrs. Roena Napier. Thursday night's banquet featured the general secretary of the NYPS as speaker and a program, both of which were greatly enjoyed.

Of interest to Cypress residents is the news of the birth of a baby to Mr. and Mrs. Tom Todd of Ojai, former residents of this community. The baby, a five and a half pound son, has been named Thomas William, and was born in the Ventura hospital on April 20. He is the grandson of Mr. and Mrs. William Todd of Lincoln avenue and Mrs. D. C. Marvin of Acacia street. Mrs. Todd was the former Alene Hawthorne.

Mrs. R. B. Fuquay had as her Sunday dinner guests, her son-in-law and daughter, Mr. and Mrs. Len White, her granddaughter, Miss Darlene White of Pasadena, Mr. and Mrs. Walter Nabower and Mrs. Sarah Miller. Mr. and Mrs. George Worthington joined the party in the evening.

Mr. and Mrs. H. L. Minnick are home again from a three weeks' stay in Richmond during the recent illness and death of the former's father, J. R. Minnick.

The May meeting of the Cypress Parent-Teacher association has been postponed from May 13 to May 20 in order to hear the reports from the state convention which will be attended by the president, Mrs. Norville Chapman.

Announcements have been received by friends of Mr. and Mrs. Harry Christianson of Artesia of the birth of a five pound six ounce daughter, who made her debut in the Artesia hospital on April 21. She has been named Alice Lorene. Mrs. Christianson is a member of the Junior Women's Club.

Martha Schmidig Married In Las Vegas

Cypress friends of Miss Martha Schmidig will be surprised to learn of her marriage to George Wakefield of Artesia on April 24, the ceremony taking place in Las Vegas. The couple visited Boulder Dam and other points of interest before returning home. They plan to make their home in Artesia.

Mrs. Wakefield is the daughter of Mrs. Mary Schmidig, who moved to San Diego following the death of her husband, and has been a resident of Cypress for many years. She was graduated from Cypress elementary school and Anaheim high school and served as a Lady Marine during the recent war. She will also be remembered as the pitcher of the Cypress girls' soft ball team a few years ago.

Summer Print

Photo courtesy New York Dress Institute

For Mother's Day and wear throughout the warm weather season, a one-piece brown and white print dress with white butcher rayon linen jacket. Dress is designed with short sleeves, V neckline, and box-pleated skirt. Jacket is detailed with the print.

Mrs. Robert Meils, Jr., and children will leave Saturday for a two months' visit with her parents in Illinois. The journey will be made by train.

A 'BEAUT'!

Yep, it's a 'beaut' no matter how you look at it! This pretty fisherman with her prize catch is just a way of saying that the trout fishing season opens May 1. A survey by the Automobile Club of Southern California indicates that the fishing should be good in streams and lakes.

May Events Set Record

(Continued from Page 1)

May 13 - 16
Redlands "Surrey Days"

Citizens of Redlands, site of Redlands University and attractive community beside the mile-high San Bernardino mountains, celebrate their town's 60th anniversary with Gay Nineties costumes and period hi-jinks.

May 14
Professional Championship Rodeo

Pasadena's famed Rose Bowl beside the San Gabriel mountains will be the setting for the 1st Annual Professional Championship Rodeo, sponsored by the East Pasadena Boys' club. Nationally known rodeo stars will take part.

May 14 - 16
Sierra Madre Pioneer Days

Artists' and writers' community at foot of Mt. Wilson turns back the calendar to the days when it was settled. Celebration honors early residents and old-timers.

May 14 - 16
Burbank On Parade

Burbank marks a 61st anniversary with an industrial exposition, auto show, Burbank May Queen Contest and a Miss Southland Contest. The celebration and a big parade of floats, bands, marching units and old-time cars and carriages was attended by an estimated 125,000 persons last year. Continuous entertainment and dances round out the 5 day event in this Southern California aircraft and motion picture center.

May 15
Whittier Horse Show

Residential community and center for citrus, avocado and walnut groves stages a horse show and parade with school bands, floats and prize winning mounts.

May 15
Monrovia Day

The community of Monrovia, in the orange grove country of San Gabriel Valley, celebrates its birthday with a city-wide party each year. Festivities start with a community breakfast, serving some 1500 persons, followed by a pioneers' luncheon, parade with floats and riders, carnival, and sports program.

May 15 - June 30
Los Angeles Artists Exhibition

Los Angeles County Museum holds the 1948 Annual Artists of Los Angeles and Vicinity Exhibition, open to all artists living within a 100-mile radium of downtown Los Angeles. Show will include water colors, oil paintings, drawings, sculpture and graphic arts.

May 15 - August 22 (Qualifying)
September 4 (Derby Day)
San Diego Yellowtail Derby

Salt water fishermen will put to sea from San Diego's Harbor of the Sun to land the fast, fighting Yellowtail (also known as Amberjack.) The 300 fishermen who the best catch during the qualifying period will be eligible to fish for major Derby prizes. The Yellowtail and other varieties of deep-sea finsters are caught from live-bait boats making daily runs to off-shore fishing grounds.

All May
Desert Hikes

Plant life, animal life and geological wonders of the colorful desert and mountain canyons surrounding the Palm Springs oasis resort are viewed in Sunfun Hikes every Saturday until June 1. Naturalists on the staff of the Village's Desert Museum, and visiting authorities, present explanatory talks of the features inspected on the leisurely hikes.

May 16
Lakeside Rodeo

Sponsored by the San Diego County Rodeo Association, the Lakeside Rodeo will feature many colorful events, including bronco-busting, bull-dogging steers, trick-riding, calf-roping, etc. 4500 to 6500 persons expected to attend.

May 16
Portuguese Fiesta

Commercial tuna fishermen of San Diego are sponsors for a beautiful and impressive ceremony held each year on Pentecost Sunday to honor Queen Isabel of Portugal, canonized in 1625. The Fiesta originated in 1323. A young girl representing Queen Isabel is escorted by a royal cortege in a colorful procession of groups of adults and children attired in the insignia of religious and patriotic societies.

May 18 - July 24
Horse Racing

Spring and Summer horse racing season opens at Hollywood Park, beautiful racing plant located at Inglewood, between Los Angeles and the ocean.

May 21
Coliseum Relays

Invitational track and field events at Los Angeles Memorial Coliseum, home of 1932 Olympic Games.

May 23
San Diego Yacht Club Regatta

San Diego, site of one of the world's finest natural harbors, opens the summer boating and sailing season with races, and social activities.

May 28 - 31
Pacific Beach Fiesta

One of San Diego's famous beach resorts holds a parade, bathing beauty contest to select Miss San Diego, rough-water swim sponsored by the AAU, and a Fiesta Ball. Celebration is the opening gun for a Summer of surf bathing, beach games and water sports.

May 29
Coronado Yacht Club Opening Day Regatta

Island-like resort in San Diego Bay marks the opening of a new season of boating activities with events on land and water.

May 29 - 31
Fallbrook Pioneer Festival

Fallbrook, in San Diego county, honors its founders with a parade, rodeo, barbecue, dances and auto racing. Citrus and avocados from surrounding ranches are exhibited. Old-timers compete in a beard contest.

May 30
Corpus Christi Celebration

Indians living on the Pala Reservation in the northern "Back Country" of San Diego county hold an annual religious fiesta near the giant Palomar Observatory. A procession is held through the village and little Indian girls scatter flowers on the road ahead of the priest carrying the Blessed Sacrament.

Details on these and other events may be obtained from the All-Year club's community visitors bureau, 517 West Sixth street, downtown Los Angeles.

Ferguson's Entertain For Newlyweds

Relatives and intimate friends of Mr. and Mrs. Leon Ferguson assembled in their honor Friday night when a post-nuptial shower was given by Mr. and Mrs. Q. E. Ferguson, entertaining in their home at 1001 East Center street, Anaheim.

Since the wedding of Miss Carrie Stamper and Mr. Ferguson was a very quiet event of April 16 which came as a surprise to many of their friends, various post-nuptial affairs are being planned for the couple. Friday night's party came as the first in this series of pleasant bridal hospitalities.

Flowers in colorful profusion decked the rooms of the Ferguson home with the theme of the party suggested by the arrangement of a white bridal arch and a miniature wedding party centering the dining table.

Mrs. Victoria Spears and Dale Ferguson were selected with the newly married couple, to act as brides and bridegrooms in a mock wedding ceremony, the couples having been previously dressed in wedding costumes of crepe paper by several of the guests.

The newest married couple which of course was the honor guests, and the oldest married couple, which were the host and hostess, took part in a mock bride and groom radio program and received prizes.

The opening of the many miscellaneous gifts by the bride, with the assistance of her husband, came as one of the pleasant features of the evening. Refreshments of cake and punch concluded the pleasant affair.

Attending were Mr. and Mrs. Carl Ferguson; Mr. and Mrs. Ross Ferguson and daughter, Bettie; Mr. and Mrs. J. E. Collinsworth and Dale Ferguson, all of Artesia; Mrs. Anna Ferguson of Downey; Mrs. Dee Glenn, Mr. and Mrs. G. H. Berry, Mr. and Mrs. LeRoy Ferguson of Fullerton; Mrs. W. B. Hall and Mr. and Mrs. A. M. Terrell of Placentia; Mr. and Mrs. Loren Summers and daughter, Lois Eyline, and Mrs. Fannie Summers of Pasadena; Mr. and Mrs. J. B. Ferguson of Bellflower; Mr. and Mrs. W. L. Wimberly and Mrs. Victoria Spears of Anaheim; Mr. and Mrs. Carl Cruzan of Buena Park; Mr. and Mrs. Ocie Ferguson, Mr. and Mrs. Joe Ferguson, and daughter, Jeanette, Mrs. Barney Booher, Mr. and Mrs. Preston Allen, Mr. and Mrs. Curt Tarter, and the honor guests, all of Cypress.

FOR SALE—Tool makers chest of tools. Call at News office.

We specialize in Hamburgers. Try our nippy cheese-burgers, hot dogs or tomato-burgers. Quick service on sandwiches to take out.

Club Here Entertains Picnic Style

A very enjoyable day was spent by members of the Junior Woman's club and their families when they gathered on Sunday at the Anaheim city park for a pot luck dinner.

The men played horse shoes and ball and all watched the practice game between the Buena Park girls' soft ball team and one from San Fernando. The children enjoyed the playground facilities of the park.

In the group were Mr. and Mrs. George Costa and son, Ronnie, Mr. and Mrs. George Marshall and daughter, Sharon, Mr. and Mrs. Glenn Miser and children, Ralph and Shirley, Mr. and Mrs. John Lukens and children, Bobby and Suzanne, Mr. and Mrs. Lawrence Gaylord and sons, Larry and Randy, Mr. and Mrs. Bennie Pugh and daughter, Jerlinda, Mr. and Mrs. K. T. Beason and children, Jimmy and Susan, Mr. and Mrs. James Palmer and children, Barbara and Jimmy, Mr. and Mrs. Norville Chapman and daughter, Jayne. Mr. and Mrs. George Routenburg of Santa Ana were guests of the Chapmans and Miss Alice Cann of Fullerton and Walter Dyer of Buena Park were guests of the Pugh's.

LOS ALAMITOS

Decisions to publish a business directory, to finance the local softball team and to hold all meetings at 6:30 a.m. have been reached by the Los Alamitos Business association, President Cleo DeWitt reports.

The directory will include a map of the community and will list all 23 of the association's members.

A $2500 late model sedan was damaged to the extent of $500 by fire at Katella Ave. and Cherry St. at 11:39 a.m. Monday after the brakes locked and friction started the blaze, Fire Chief Ray Baker said. The local fire department stopped the blaze. The car was owned by George Curier or Artesia, New Mexico.
